

Biography of Gregg Hollmann

B.S. Finance

Gregg Hollmann has sixteen years' experience in finance. After obtaining his B.S degree from The College of New Jersey, Greg began his career at Merrill Lynch Asset Management working as an equity analyst. Thereafter, as a senior appraiser at Management Planning, Inc. for nine years, Gregg valued hundreds of privately-held companies across a diverse set of industries, also preparing a select group of these client businesses for sale. He has also completed coursework with the American Society of Appraisers (ASA). With his superior analytical capability, creativity and outgoing nature, Gregg will help complete your transaction in a satisfactory professional manner.
